**Lr. No. CFR/Ph.D. Regulation 2025 Amendments/2025/01**

**Dated: 23.10.2025**

**CIRCULAR**

Ref.: Convener Committee approval of 45th Research Board Minutes, dated: 21.10.2025

**1.Ph.D. Regulation 2025 Amendments:**

The following amendments to the Ph.D. Regulations 2025 have been approved and shall come into effect from **23.10.2025**.

All the University Departments, Constituent Colleges, Regional Campuses, Government Colleges, Government-aided Institutions, Affiliated Institutions, Supervisors and Research Scholars as well as others affiliated under Anna University are hereby informed to take note of the same and adhere to the revised norms as detailed below.

| <b>Ph.D. Regulation 2025</b> |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                               |

|       | as Supervisor/ Joint Supervisor at any time.                                                                                                                                                                                                                                                                                                                                                                                                                                       | Supervisor at any time.<br>However, <u>Professors, Associate Professors, and Assistant Professors</u> who are recognized Supervisors from the <u>University Departments of four campuses of Anna University</u> , shall be permitted to simultaneously <b><u>guide a maximum of 12, 10 and 8 research scholars respectively</u></b> as Supervisor/Joint Supervisor, at any given time.                                                                                                                                                                                                                                                                                       |
| xvii. | <b>Definitions and Nomenclature</b><br>“Patent” means the intellectual property rights obtained in Indian Patent Office for the research carried out during the period of the Ph.D. programme and filed after the provisional registration. Only utility patents are considered for office actions while other patents like innovation patent, design patents are not considered for the approval of the Synopsis. One granted patent is considered equivalent to one Publication. | <b>Definitions and Nomenclature</b><br>“Patent” refers to “Granted patent” by the Indian Patent Office under the provisions of the Patents Act, 1970, for an invention by the research scholar resulting from the research work carried out, after joining the Ph.D. Programme.<br>Only granted patents by the Indian Patent Office for inventions are considered for the approval of the Synopsis and Thesis. Other forms of protection, such as industrial design registrations (under the Designs Act, 2000) and Copyrights will not be considered for the approval of the Synopsis and Thesis. One Indian granted patent is considered as equivalent to one Publication. |

## 2. Inclusion/Removal of Journals:

The following journals are **approved for inclusion** in the Centre for Research (CFR), website under the **“Journal List”** for the submission of Synopsis/Thesis and also for the application of Supervisor/Research Department Recognition.

| Sl.No. | Journal Name                                                                           | ISSN      | E-ISSN    | Publisher                                               |
