AGENDA	DETAILS OF DISCUSSION
Internship	- The Chairperson emphasized that all students must undergo internships as per curriculum requirements. - HODs were directed to ensure internships are relevant to the program outcomes and industry needs with proper documentation.
Placement	- The Placement Cell was instructed to intensify placement activities for all final-year students. - Departments were advised to support placement training, aptitude sessions, and technical skill development programs.
Focus on KPA – Publications, Journals, and Books	- The Chairperson stressed the need to concentrate on Key Performance Areas (KPA) related to research. - Faculty members were encouraged to publish papers in reputed journals, file patents, and contribute books and book chapters.
Cell Activities and Department Activities	- The Chairperson reviewed the functioning of various institutional cells and departmental activities. - Coordinators were instructed to conduct activities regularly and maintain proper records for quality assurance and accreditation purposes.
ISPIN – IQArena, ERP, and Website	- The Chairperson reviewed the usage of ISPIN initiative including IQArena, ERP, and the institutional website. - Departments were instructed to regularly update academic, research, and student-related information in the ERP and website.
Outcome-Based Education (OBE)	- The IQAC Coordinators briefed the implementation of Outcome-Based Education across programs. - Departments were instructed to strengthen CO–PO–PSO mapping and attainment analysis.
NEP 2020 Related Initiatives	- The Chairperson discussed the implementation of NEP 2020 initiatives such as multidisciplinary learning, skill-based education, and flexibility in curriculum. - Departments were advised to align activities and courses with NEP 2020 guidelines.
Additional Courses and Its Process	- The Chairperson instructed departments to introduce additional courses beyond the curriculum. - A proper approval, implementation, and assessment process was emphasized for documentation and quality assurance.
ISO, Green, Energy, and Environment Audit Renewal	- The Chairperson instructed the IQAC Coordinators to initiate renewal processes for ISO, Green Audit, Energy Audit, and Environmental Audit. - Departments were advised to support data collection and compliance activities.

ACTION TAKEN REPORT

The following action has been taken for the IQAC meeting conducted on 26.06.2025 at Board Room

Points Discussed	Action Taken
Internship	All departments ensured that students underwent internships aligned with curriculum requirements. Internship guidelines were communicated, and completion reports were collected and verified.
Placement	Placement training programs, aptitude sessions, and technical skill development activities were conducted. The placement cell coordinated with departments to improve placement opportunities for final-year students.
Focus on KPA – Publications, Journals, and Books	Faculty members were motivated to publish research papers in reputed journals and contribute to books and book chapters. Research output details were collected and documented.
Cell Activities and Department Activities	Various institutional cells and departments conducted academic, co-curricular, and extension activities. Activity reports with supporting documents were maintained for quality records.
ISPIN – IQArena, ERP, and Website	ERP software usage was monitored across departments. Academic, student, and institutional data were updated regularly in ERP, IQArena, and the institutional website.
Outcome-Based Education (OBE)	CO-PO-PSO mapping, attainment analysis, and outcome assessment processes were strengthened and documented across departments.
NEP 2020 Related Initiatives	NEP 2020 initiatives such as multidisciplinary learning, skill-based courses, and flexibility in learning were initiated and incorporated into departmental activities.
Additional Courses and Its Process	Additional courses beyond the curriculum were introduced following a defined approval and implementation process. Course outcomes and participation details were documented.
ISO, Green, Energy, and Environment Audit Renewal	Renewal processes for ISO, Green Audit, Energy Audit, and Environmental Audit were initiated. Required data and compliance documents were collected from all departments.

AGENDA	DETAILS OF DISCUSSION
Academic Calendar	- The Chairperson discussed the academic calendar for the current academic year. - Departments were instructed to strictly adhere to the academic schedule, examination plan, and academic activities without deviation. - Periodic monitoring of calendar implementation was emphasized.
Process Teaching-Learning	- The IQAC Coordinators briefed the existing teaching-learning practices followed as per institutional SOP. - Faculty members were encouraged to adopt innovative teaching methodologies, ICT tools, and blended learning approaches to enhance student learning outcomes.
Value-Added Courses and Industrial Visit (IV)	- The Chairperson insisted that each department should offer value-added courses aligned with industry requirements. - Departments were instructed to plan and conduct industrial visits to provide practical exposure and industry interaction for students.
NIRF Band Scale Improvement	- The Chairperson discussed the importance of improving the institution's NIRF band ranking. - IQAC and HODs were instructed to focus on key NIRF parameters such as teaching, research, graduation outcomes, outreach, and perception.
Hackathon Participation	- Departments were instructed to motivate students to actively participate in national and international hackathons. - The Chairperson suggested identifying mentors to guide students for hackathon preparation and innovation challenges.
MoU Signing	- HODs were instructed to initiate collaborations with industries, startups, and academic institutions. - The Chairperson emphasized signing MoUs that lead to internships, training, projects, research, and placement benefits.
Autonomous Status, NBA, and AQAR with Binary Accreditation	- The Chairperson discussed the progress towards Autonomous status and NBA accreditation. - HODs were instructed to prepare documentation for AQAR submission under the Binary Accreditation framework.

ACTION TAKEN REPORT

The following action has been taken for the IQAC meeting conducted on 20.01.2025 at Board Room

Points Discussed	Action Taken
Academic Calendar	The institutional academic calendar and departmental activity schedules were prepared, circulated, and implemented as per the approved plan. Periodic reviews were conducted to ensure adherence.
Teaching-Learning Process	Faculty members were encouraged and instructed to adopt ICT tools, innovative teaching methods, and blended learning practices. Teaching-learning activities were monitored through academic audits.
Value Added Courses and Industrial Visit (IV)	Departments introduced value-added courses relevant to industry needs. Industrial visits were planned and conducted with proper approvals, reports, and student participation records.
NIRF Band Scale Improvement	Data related to NIRF parameters such as teaching, learning resources, research, graduation outcomes, and outreach activities were collected and reviewed for performance improvement.
Hackathon Participation	Students were encouraged to participate in hackathons and innovation challenges. Faculty mentors were assigned to guide students, and participation details were documented.
MoU Signing	Initiatives were taken to collaborate with industries and academic institutions. MoUs were signed focusing on internships, training, projects, and placement benefits for students.
Autonomous Status, NBA, and AQAR with Binary Accreditation	Preparatory work for Autonomous status and NBA accreditation was initiated. AQAR documentation was prepared and reviewed as per the Binary Accreditation framework.
